DIRECTIONS FOR SHIPPING.

Parties ordering are requested to state explicitly the mode of conveyance by which they desire their trees forwarded. When no route is designated, we forward to the best of our judgment; but in no case do we assume any responsibility after the packages are shipped, unless for our own mistakes. When losses occur by detention, claims should at once be made on the forwarders.

CONDITIONS OF SALE.

FIRST.—The articles on the following list will be furnished at the annexed prices, *only* when the quantity specified shall be taken, excepting that FIVE HUNDRED will be furnished at the THOUSAND rate, fifty at the hundred rate, and five at the ten rate. *In no case will we supply long lists of selected varieties, of either Trees or Plants, to Nurserymen or others, at wholesale rates; but at such a discount from retail single prices as circumstances will justify.* Ordinarily, a discount of from 10 to 33⅓ per cent. will be allowed on such lists.
